To OHVAG,

I believe I would bring a lot of knowledge about retail, OHV riding, and customer awareness to OHVAG. My goal would primarily be to bridge the gap between the state and the general OHV population for educational reasons as well as help establish better communications in regards to riding areas, issues with improper land use, and establishing rider clubs that will use the land as a privilege not a right.

My background in the OHV retail sales dates back to 1985 in Arizona when I started as a salesman at Apache Honda and still continues today with the RideNow organization. I am currently the COO of RideNow Powersports 24 locations nationally (17 sell OHV), 8 of which are stores in Arizona selling OHV and we sell 6 different brands of OHV's out of those stores amounting to well over 2000 OHV units a year currently and has been as high as 10,000 a year not too long ago. I have a great relationship with many of the OEM'S (Polaris, Can-Am, Suzuki to name a few) and have been a great supporter of the Arizona ATV Jamboree held in Springerville as well as being the President of the now defunct APIA (Arizona Powersports Industry Association) for several years.

I am an avid rider living in the Scottsdale area as well as owning a cabin in Greer bordering the Apache Sitgreaves National Forest in Apache county where I do most of my riding throughout the year and the sand dunes in both Yuma and in California with an occasional trip to Rocky Point, Mexico. I have been an avid rider since I was 5 years old and have a wife and 3 kids who love to ride as well and that was my sole reason for buying my place in Greer, AZ was to ride OHV's. I have participated in the Jamboree in Springerville every year since it began.

Please consider me as a candidate for OHVAG I know I can help make a difference.

Sincerely,

We would like to introduce Bill Nash to you. Bill is C.O.O. Statewide and Nationally for Ride Now PowerSports Dealers. Bill has worked with AZOHVC to manage OHV use across the State. Bill and Ride Now were instrumental in getting the OHV DECAL Bill passed and has been an excellent advocate for the program since it was enacted in 2009. Dear OHVAG Members:

It is with enthusiasm that I proffer my application for membership on the OHVAG voluntary advisory group.

Education: I graduated secondary school from Culver Military Academy and received my BA from Kent State University with a major in psychology. More recently, I graduated from a three-year program at the Zaki Gordon Film Institute.

Memberships: I am a member of the Coconino Trail Riders and I am on the competition committee of the Arizona Motorcycle Riders Association.

Life Experience: I have pursued a number of different avenues. I operated our family cattle ranch in Montana for some years before leaving the industry. I have served as a counselor and board member in a drug and alcohol rehabilitation facility, worked professionally as a nationally certified ski instructor, and owned and operated my own white-water adventure company. I have served as the executive director of a private charitable foundation and been a member of church boards. I have won awards for writing, directing and editing films. I have been an instructor in numerous venues and currently serve as a substitute teacher in the Sedona and Cottonwood School Districts.

I am a lover of the out-of-doors and all of nature. I hike, paddle, trail run, mountain bike and love to ride and race my dirt bike. As an OHVAG volunteer member, I would advocate for safety education, particularly for children and their parents, cooperation among all trail users, preservation of our magnificent natural heritage, and the expansion of OHV trail systems statewide.

I believe I bring a strong and diverse background to the OHVAG that will enable me able to serve as a constructive voice for all members of the Arizona OHV community.

I look forward to your response.

Sincerely,

Thomas B. McArthur

Dear Mr. Baldwin:

I am writing this letter today as an addendum to my Application for the Off-Highway Vehicle Advisory Group.

I grew up in Kansas attending College at Emporia State University as well as playing football. I then moved to the state of Arizona in 2001 and shortly thereafter began my passion for OHV recreation. I have been an avid OHV recreationist ever since. My primary application is rock crawling in my 99 Wrangler. I have been on trails all over the state and in 2006 I began to get involved on the land use side of the sport as I saw that would/could be a major hurdle going forward. It was at that time I became a 4x4 Rep w/ the Arizona Off-Highway Vehicle Coalition (AZOHVC). I also decided I needed to become part of a recognized rock crawling club also. At this time I joined the Arizona Rock Rats of which Jim Florence is President. I worked with our 4x4 user groups for a few years and in 2010 I pursued election as President of the AZOHVC the office that I still hold at this time. I am passionate about my own pursuits in OHV recreation and those of the general public. Based on this passion I have also been a member of the Arizona State Association of 4 Wheel Drive Clubs (ASA4WDC). I was a board member at large via my club for several years and in November of 2010 I was also elected as Vice-President of the ASA4WDC. As you can see I have immersed myself with the surroundings and background to be successful with the OHVAG should yourself and the board, choose to accept me.

Professionally I have worked for 2 companies in my 34 years. I first worked for Deluxe Corporation from 1997 to 2009. I was a Vendor Analyst in regards to Check Printing applications with Large Accounts such as Chase and Wachovia. Currently I am employed by JPMorgan Chase & Co. since 2009. I am in the Home Lending arena with responsibility to post Default Mortgage review. I feel that my career helps with my ability to be objective with my analysis of the issues/proposals that are put in front of OHVAG.

Thank You for the time and the Opportunity to serve the OHV Recreationists of Arizona.

Dear Mr. Baldwin

I would like to recommend Jack Hickman to the Arizona State Parks Off Highway Advisory Group (OHVAG).

I have known Jack for several years and he has been a great help to the Arizona State Association of 4 Wheel Drive Clubs (ASA4WDC) with many issues.

The ASA4WDC has also worked alongside Jack and the Arizona Off Highway Vehicle Coalition (AZOHVC) on many issues effecting organized off highway recreation.

As a member and past member of the OHVAG I believe Jack would be a wonderful asset to the group. He is well versed in what effects our recreation and has a good handle on ways to improve it.
